Trương Nguyễn Thái Bình

has successfully completed the online, non-credit Specialization

Academic Skills for University Success

This Specialization is a high-level academic skills course designed to increase your level of academic preparedness prior to commencement of your studies in an English-medium university. The course equips you for full participation and engagement with your studies by building awareness and understanding of the core values and expectations of academic culture.

Katherine Olston
Deputy Director (Digital Learning)
University of Sydney Centre for English Teaching

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
